KINGDOM CALLING

**Preacher • Teacher • Christian Educator
• Trainer of Leaders**

A faith-filled ministry journey marked by excellence, biblical integrity, creativity, and a deep commitment to equipping others to teach and preach the uncompromised Word of God.

If you know anything about Marilyn you know that she loves God, and it shows in her dedication, passion, giftedness, creativity, and servanthood in ministry and her love for people. She embraces her calling with excellence, serving as a preacher, teacher, and trainer of educators. Marilyn is driven by a vision to bring the highest standards of Christian education into both the classroom and the pulpit. Her goal is to provide seminary-level, interactive workshops for educators working with children, teenagers, college students, young adults, and adults, equipping them to preach and teach the uncompromised Gospel with both biblical integrity and creativity.

Marilyn earned a Bachelor of Science degree in Computer Science, with an emphasis in Information Systems, from Phoenix University in 1997. She later pursued her passion for Christian education, obtaining a Master of Arts in Christian Education from the Haggard School of Theology at Azusa Pacific University in 2007.

For 39 years, Marilyn was an active member of Friendship Baptist Church in Yorba Linda, under the leadership of Pastor James D. Carrington. It was there that she accepted Jesus Christ and deepened her spiritual growth while serving in various ministries. Her greatest joy was serving in Christian Education and Youth Ministry, where she held roles as a Christian educator, trainer, and ministry coordinator. Her academic background and passion for teaching enabled her to contribute significantly to curriculum development and the training of individuals dedicated to sharing the Gospel. Additionally, she played a key role in designing, implementing, and evaluating Bible programs for both youth and adults.

“...equip the saints for the work of ministry, for building up the body of Christ” Eph 4:11

In 2015, the Lord led Marilyn and her husband, Deacon Orlando Daniel, to Eastvale Bible Church, where they continue to serve in ministry. Marilyn holds the position of associate minister, leading Christian Education Ministry.

She remains committed to writing biblical curricula for youth, college students, young adults, and adults as a consultant for Teaching Like Jesus Ministries, Inc., the Urban Ministry Institute (UMI), and various churches. Her scholarly contributions include co-authoring an article titled “The African American Church and Its Role in Nurturing the Spiritual Development of Children” in *Nurturing Children's Spirituality: Christian Perspectives and Best Practices* (2008), published by ascade Books (Wipf & Stock Publishing). Additionally, she has served as a student leader for Precept Ministry Transformational Student Ministry, where she taught teenagers and college students how to study the Bible inductively.

Marilyn is also a sought-after speaker at youth, young adult, adult conferences, worship services, and academic universities, where she shares God’s Word with the aim of inspiring hope and transformation. Professionally, Marilyn has been employed at Leach International Corporation in California for 24 years.

She has held various leadership positions and currently serves as an executive leader responsible for overseeing employees across U.S. and Mexico sites.

She is the founder of Equipping, Motivation & Training (EMT) Ministry and Services LLC. She serves as an officer and board member for Marsell Family Wellness Center, headquartered in Ontario, Ca.

Residing in Orange County with her husband, Marilyn remains steadfast in living out Paul’s exhortation to Timothy: “Entrust these things to faithful men who will be able to teach others also” (2 Tim. 2:2). She is a devoted wife, mother of four children, grandmother to two grandchildren, God mom and Spiritual mom to a host of nieces, nephew and youth she’s mentored over the years!
